

2th April 2026

Dear Managing Board and staff members of **Savills**,

On behalf of the World Wide Fund for Nature in Viet Nam (WWF-Viet Nam), I would like to extend our sincerest appreciation for your invaluable support during the Earth Hour 2026 campaign.

The year 2026 marks a significant milestone - the 20th anniversary of the global Earth Hour movement. Over the past two decades, what began as a simple act of turning off lights has grown into a powerful global movement, raising awareness and inspiring collective actions to protect our planet. Your strong participation in Earth Hour this year is not only a reflection of corporate responsibility, but also a testament to a long-term commitment to a sustainable future.

Your support through amplifying Earth Hour's messages as well as implementing green initiatives has made a meaningful contribution to the overall success of the campaign.

Once again, WWF-Viet Nam sincerely thanks **Savills** for being part of this meaningful 20-year journey. We look forward to your continued support and collaboration in upcoming conservation and sustainable development initiatives.

Warm regards,
